WHEREAS, Suwannee Valley Electric Cooperative's Smart Grid Project will connect its substations and downstream devices together via fiber optic cable to expand the self-healing capabilities of the cooperative's electric system; and

WHEREAS, the cable installed for the Smart Grid Project has the potential to form the "backbone" of a much wider fiber optic network capable of connecting all residents and businesses of Lafayette County to each other and the Internet; and

WHEREAS, Lafayette County, like many other rural areas in America, finds itself on the wrong side of the "digital divide," being underserved or unserved by broadband providers; and

WHEREAS, access to reliable and affordable high-speed internet service that offers a capacity for transmission at a consistent speed of at least 25 megabits per second downstream and 3 megabits per second upstream is essential for fostering a connected economy characterized by a robust workforce, business growth, educational opportunities, and access to healthcare; and

WHEREAS, the absence and/or lack of high-speed internet:

- hinders the ability for students of all ages to have access to invaluable educational resources and opportunities,
- hinders access to telemedicine, which can provide high-quality healthcare and treatment to Lafayette County residents without the exorbitant cost and hassle of transportation,
- hinders the ability for rapid and dependable communication between the public and law enforcement agencies,
- hinders the ability for communities to maintain and expand business opportunities and stimulate job growth,
- hinders the ability for residents and businesses to utilize innovative technologies that are required for a vibrant economy; and

WHEREAS, in 1937, residents and community leaders banded together to create Suwannee Valley Electric Cooperative to bring reliable and affordable electricity to the homes, farms, and businesses in the Suwannee Valley when existing utilities would not; and

WHEREAS, in the same spirit, Suwannee Valley Electric Cooperative once again endeavors to provide for a vital unmet need of the people of the Suwannee Valley;

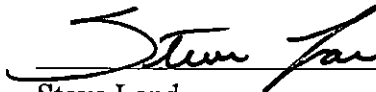

NOW, THEREFOR BE IT RESOLVED by the Lafayette County Board of County Commissioners, that we support the efforts by Suwannee Valley Electric Cooperative, by way of its Smart Grid Project, to bring access to reliable and affordable high-speed internet to every household, farm, and business in Lafayette County.

Further, the recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period. 14. **Single Audit Act.** Each Grantee, other than a Grantee that is a State agency, shall submit to an audit pursuant to Section 215.97, *Florida Statutes*. See Attachment A for additional information regarding this requirement. If a Grantee is not required by law to conduct an audit in accordance with the Florida Single Audit Act because it did not expend at least \$750,000 in state financial assistance, it must submit a Financial Report on its operations pursuant to Section 218.39, *Florida Statutes* within nine months of the close of its fiscal year. Audits must be submitted on the DOS Grants System at dosgrants.com.
15. **Retention of Accounting Records.** Financial records, supporting documents, statistical records and all other records, including electronic storage media pertinent to the Project, shall be retained for a period of five (5) fiscal years after the closeout of the grant and release of the audit. If any litigation or audit is initiated or claim made before the expiration of the five-year period, the records shall be retained for five fiscal years after the litigation, audit or claim has been resolved.
16. **Obligation to Provide State Access to Grant Records.** The Grantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts and transcripts.
17. **Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Grantee refuses public access to all documents or other materials made or received by the Grantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the *Florida Public Records Act*. The Grantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.
18. **Noncompliance.** Any Grantee that is not following Florida Statutes or rules, the terms of the grant agreement, Florida Department of State (DOS) policies and guidance, local policies, or other applicable law or that has not submitted required reports or satisfied other administrative requirements for other Division of Library and Information Services grants or grants from any other DOS Division will be in

noncompliance status and subject to the DOS Grants Compliance Procedure. DOS Divisions include the Division of Arts and Culture, the Division of Elections, the Division of Historical Resources and the Division of Library and Information Services. Grant compliance issues must be resolved before a grant award agreement may be executed and before grant payments for any DOS grant may be released.

19. **Accounting Requirements.** The Grantee must maintain an accounting system that provides a complete record of the use of all grant funds as follows:
 - a) The accounting system must be able to specifically identify and provide audit trails that trace the receipt, maintenance and expenditure of state funds;
 - b) Accounting records must adequately identify the sources and application of funds for all grant activities and must classify and identify grant funds by using the same budget categories that were approved in the grant application. If Grantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Grantee's accounting records to those amounts reported to the Division;
 - c) An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget;
 - d) The name of the account(s) must include the grant award number;
 - e) The Grantee's accounting records must have effective control over and accountability for all funds, property and other assets; and
 - f) Accounting records must be supported by source documentation and be in sufficient detail to allow for a proper pre-audit and post-audit (such as invoices, bills and canceled checks).
20. **Availability of State Funds.** The State of Florida's performance and obligation to pay under this Agreement are contingent upon an annual appropriation by the Florida Legislature. In the event that the state funds upon which this Agreement is dependent are withdrawn, this Agreement will be automatically terminated and the Division shall have no further liability to the Grantee beyond those amounts already expended prior to the termination date. Such termination will not affect the responsibility of the Grantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total grant may be reduced accordingly.
21. **Lobbying.** The Grantee will not use any grant funds for lobbying the state legislature, the state judicial branch or any state agency.
22. **Independent Contractor Status of Grantee.** The Grantee, if not a state agency, agrees that its officers, agents and employees, in performance of this Agreement, shall act in the capacity of independent contractors and not as officers, agents or employees of the state. The Grantee is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment by the State of Florida.
23. **Grantee's Subcontractors.** The Grantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Grantee may subcontract, as necessary, to perform the services and to provide commodities required by this Agreement. The Division shall not be liable to any subcontractor(s) for any expenses or liabilities incurred under the Grantee's subcontract(s), and the Grantee shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under its subcontract(s). The Grantee must take the necessary steps to ensure that each of its subcontractors will be deemed to be independent contractors and will not be considered or permitted to be agents, servants, joint venturers or partners of the Division.
24. **Liability.** The Division will not assume any liability for the acts, omissions to act or negligence of the Grantee, its agents, servants or

employees; nor may the Grantee exclude liability for its own acts, omissions to act or negligence to the Division.

- a) The Grantee shall be responsible for claims of any nature, including but not limited to injury, death and property damage arising out of activities related to this Agreement by the Grantee, its agents, servants, employees and subcontractors. The Grantee shall indemnify and hold the Division harmless from any and all claims of any nature and shall investigate all such claims at its own expense. If the Grantee is governed by Section 768.28, *Florida Statutes*, it shall only be obligated in accordance with this Section.
- b) Neither the state nor any agency or subdivision of the state waives any defense of sovereign immunity or increases the limits of its liability by entering into this Agreement.
- c) The Division shall not be liable for attorney fees, interest, late charges or service fees, or cost of collection related to this Agreement.
- d) The Grantee shall be responsible for all work performed and all expenses incurred in connection with the project. The Grantee may subcontract as necessary to perform the services set forth in this Agreement, including entering into subcontracts with vendors for services and commodities, provided that such subcontract has been approved in writing by the Department prior to its execution and provided that it is understood by the Grantee that the Department shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

- 25. **Strict Compliance with Laws.** The Grantee shall perform all acts required by this Agreement in strict conformity with all applicable laws and regulations of the local, state and federal law. For consequences of noncompliance, see Section 18, Noncompliance.
- 26. **No Discrimination.** The Grantee may not discriminate against any employee employed under this Agreement or against any applicant for employment because of race, color, religion, gender, national origin, age, handicap, pregnancy or marital status. The Grantee shall insert a similar provision in all of its subcontracts for services under this Agreement.
- 27. **Breach of Agreement.** The Division will demand the return of grant funds already received, will withhold subsequent payments and/or will terminate this agreement if the Grantee improperly expends and manages grant funds; fails to prepare, preserve or surrender records required by this Agreement; or otherwise violates this Agreement.
- 28. **Termination of Agreement.** The Division will terminate or end this Agreement if the Grantee fails to fulfill its obligations herein. In such event, the Division will provide the Grantee a notice of its violation by letter and shall give the Grantee fifteen (15) calendar days from the date of receipt to cure its violation. If the violation is not cured within the stated period, the Division will terminate this Agreement. The notice of violation letter shall be delivered to the Grantee's Contract Manager, personally, or mailed to his/her specified address by a method that provides proof of receipt. In the event that the Division terminates this Agreement, the Grantee shall be compensated for any work completed in accordance with this Agreement prior to the notification of termination if the Division deems this reasonable under the circumstances. Grant funds previously advanced and not expended on work completed in accordance with this Agreement shall be returned to the Division, with interest, within thirty (30) days after termination of this Agreement. The Division does not waive any of its rights to additional damages if grant funds are returned under this Section.
- 29. **Preservation of Remedies.** No delay or omission to exercise any right, power or remedy accruing to either party upon breach or violation by either party under this Agreement shall impair any such right, power or remedy of either party, nor shall such delay or omission be construed as a waiver of any such breach or default or any similar breach or default.

- 30. Non-Assignment of Agreement.** The Grantee may not assign, sublicense or otherwise transfer its rights, duties or obligations under this Agreement without the prior written consent of the Division, which shall not unreasonably be withheld. The agreement transferee must demonstrate compliance with the requirements of the project. If the Division approves a transfer of the Grantee's obligations, the Grantee shall remain liable for all work performed and all expenses incurred in connection with this Agreement. In the event the Legislature transfers the rights, duties and obligations of the Division to another governmental entity, pursuant to Section 20.06, *Florida Statutes* or otherwise, the rights, duties and obligations under this Agreement shall be transferred to the succeeding governmental agency as if it was the original party to this Agreement.
- 31. Required Procurement Procedures for Obtaining Goods and Services.** The Grantee shall provide maximum open competition when procuring goods and services related to the grant-assisted project in accordance with Section 287.057, *Florida Statutes*.
- a) Procurement of Goods and Services Not Exceeding \$35,000. The Grantee must use the applicable procurement method described below:
 - 1. Purchases Up to \$2,500: Procurement of goods and services where individual purchases do not exceed \$2,500 do not require competition and may be conducted at the Grantee's discretion.
 - 2. Purchases or Contract Amounts Between \$2,500 and \$35,000: Goods and services costing between \$2,500 and \$35,000 require informal competition and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document.
 - b) Procurement of Goods and Services Exceeding \$35,000. Goods and services costing over \$35,000 may be procured by either Formal Invitation to Bid, Request for Proposals or Invitation to Negotiate and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document.
- 32. Conflicts of Interest.** The Grantee hereby certifies that it is cognizant of the prohibition of conflicts of interest described in Sections 112.311 through 112.326, *Florida Statutes* and affirms that it will not enter into or maintain a business or other relationship with any employee of the Department of State that would violate those provisions. The Grantee further agrees to seek authorization from the General Counsel for the Department of State prior to entering into any business or other relationship with a Department of State Employee to avoid a potential violation of those statutes.

FLORIDA SINGLE AUDIT ACT REQUIREMENTS

AUDIT REQUIREMENTS

The administration of resources awarded by the Department of State to the Grantee may be subject to audits and/or monitoring by the Department of State as described in this Addendum to the Grant Award Agreement.

Monitoring

In addition to reviews of audits conducted in accordance with 2 *CFR* 200, Subpart F - Audit Requirements, and section 215.97, *Florida Statutes (F.S.)*, as revised (see Audits below), monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 *CFR* 2 §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department of State staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

Audits**Part I: Federally Funded**

This part is applicable if the recipient is a state or local government or a nonprofit organization as defined in 2 *CFR* §200.90, §200.64, and §200.70.

1. A recipient that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 *CFR* 200, Subpart F - Audit Requirements. Exhibit 1 to this agreement lists the federal resources awarded through the Department of State by this agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of State. The determination of amounts of federal awards expended should be in accordance with the guidelines established by 2 *CFR* 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 *CFR* 200.514, will meet the requirement of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 *CFR* 200.508-512.
3. A recipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 *CFR* 200, subpart F - Audit Requirements. If the recipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 *CFR* 200, subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than federal entities).

Part II: State Funded

This part is applicable if the recipient is a nonstate entity as defined by section 215.97(2) *F.S.*

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017 and thereafter), the recipient must have a state single or project-specific audit for such fiscal year in accordance with Section 215.97, *F.S.*; Rule Chapter 69I-5 *F.A.C.*, State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of State, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
2. For the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), *F.S.* This includes submission of a financial reporting package as defined by Section 215.97(2) *F.S.*, and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017 and thereafter), an audit conducted in accordance with the provisions of Section 215.97, *F.S.*, is not required. In the event that the recipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, *F.S.*, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).
