WHEREAS, the Lafayette County Land Development Regulations, hereinafter referred to as the Land Development Regulations, empowers the Board of County Commissioners of Lafayette County, Florida, serving as the Board of Adjustment of Lafayette County, Florida, hereinafter referred to as the Board of County Commissioners, serving as the Board of Adjustment, to grant or deny variances as authorized under Section 3.2 of the Land Development Regulations;

Literal interpretation of the provisions of the land development regulations would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the land development regulations and would work unnecessary and undue hardship on the applicant;
- e. The variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure; and

- f. Granting of the variance will be in harmony with the general intent and purpose of the land development regulations, and such variance will not be injurious to the area involved or otherwise detrimental to the public welfare.
