Dear Commissioners,

The Town of Mayo would like to request permission to place a "Welcome to Mayo" sign on the property owned by Lafayette County near Lafayette County Health Department on US Highway 27. The town has been in contact with the Florida Department of Transportation and has been advised that placing the said signs on the County property would be the best route to take on this matter.

This is a project that the Mayo Town Council is very interested in pursuing and would like to have the support of the County. Also, this project is in the early planning stages therefore any input and suggestions are welcomed.

Please feel free to contact the town with any questions at 386-294-1551.
